### Sponsorship Opportunities Available!

The Red Shoes Dance Academy would like to partner with your organization to help promote your business and support our dance programs. All funds raised will be used to benefit the dancers of The Red Shoes Dance Academy in several different ways. Examples include funding recitals and performances, purchasing equipment, installing a spring floor to reduce injuries, and providing scholarships to students.

The Red Shoes Dance Academy is committed to making every student's dance experience memorable and enjoyable. Our goal is to create a family-like environment where students and parents alike can enjoy the art of dance. The skills and team building that are emphasized provide every student with an opportunity to become better dancers, improve confidence, and build character. We are committed to providing the highest quality dance instruction possible by the best instructors in the region. We also have an award winning Performance Company that travels to regional and national dance competitions/conventions. Your support will help our team to continue in their pursuit of excellence.
